

equipping laity

. . . because YOU support Shared Ministry Apportionments

The Conference Vision Table and the Office of Connectional Ministries is able to underwrite the work of the Conference Board of Laity.

This June, **thanks to your support**, we were able to provide Rev. Dr. Kwasi Kena for an

Advanced Course on Evangelism for lay speakers from all of the districts. More than 400 lay speakers took advantage of this opportunity to earn continuing education credit.

In addition, we were able to support the presence of Dr. Kena as the main speaker Saturday morning of conference as he challenged us with these words: "We are overdue for another great awakening. It will only happen when people like you answer the call to go where God sends. There is a partnership between clergy and laity." **Thanks to your support** we were able to bring this transformative ministry event to the 650 lay speakers gathered that day.

The Conference Board of Laity represents every district and includes the deans of all District Lay Speaking schools. **Thanks to your support**, we are able to underwrite their ministry.

**Together We Make a Difference Through
Shared Ministry Apportionments!**
