. . . because YOU support
Shared Ministry Apportionments

Through the conference's newspaper, The Vision, and the Web site, you can find out what's going on in your district and around the conference. **Thanks to your support**, the story of the incredible rejuvenation of the Greenpoint Polish-American UMC in Brooklyn will be told in this month's Vision and on the Web site.

The recent transition of The Vision to a Web-only product has made the newspaper available to new audiences. In addition to the regular issue, there is a large-print version, and both versions can be read online or printed out. And The Vision can now be viewed in more than 25 languages – including Spanish, Polish and Vietnamese – through a translation option on the Web site. That change to the Web also frees up funds to create quarterly publications for use in your church on such topics as stewardship and evangelism.

Thanks to your support, photos and stories can be delivered more quickly to you via the Web site, in partnership with The Vision. So don't forget to check out www.nyac.com today!

**Together We Make a Difference Through
Shared Ministry Apportionments!**

Read about Rev. Richard Rutkowski, far left, and members of his Greenpoint church who are renovating the entire structure.
