**. . . because YOU support
Shared Ministry Apportionments**

Thanks to your generous support, the NYAC is able to operate and staff its offices to assist clergy and laity in the conference in their ministries, and to answer inquiries from the public and the media.

The Methodist Center is the hub of the New York Annual Conference. Located at 20 Soundview Avenue in White Plains, N.Y., the building houses the episcopal offices, program and finance offices, the Frontier Foundation, the archives and the Learning Center. The building and equipment is properly maintained and updated in our efforts to be good stewards of what God provides.

The conference staff is ready to help.

Thanks to your support, the conference is able to fund the salaries and benefits of those who support the work of the finance department under the leadership of Ernest Swiggett; the administrative assistant for Ann Pearson and the Office of Connectional Ministries; a part-time archivist, the reception and human resources staffs, as well as the salaries of our six district superintendents and their administrative assistants.
