

annual meeting at hofstra

... because YOU support Shared Ministry Apportionments

Thanks to your support, clergy and laity from each of our 476 churches gather to conduct the business and share in the communal activities of the New York Episcopal area during the annual conference held each June at Hofstra University on Long Island.

The four-day meeting is an opportunity to celebrate the events and accomplishments of the conference: provisional elders and deacons are commissioned, and full elders and deacons are ordained. Those who have died in the past year, and those who are retiring are honored in special worship services. We also vote on local and denominational resolutions placed before the body, approve the budget and elect delegates to attend jurisdictional or general conferences.

Bishop Park joyfully leads this year's newly ordained elders in a conga line.

Thanks to your support, the clergy and laity come together to work, sing, pray, learn and celebrate as the Body of Christ! Our annual meeting provides for lasting connections in ministry well beyond our local churches.
