

Together We Make A Difference Through Shared Ministry Apportionments!

Thanks to your support young adults and church leaders get help in paying for their educations through the Ministerial Education Fund (MEF), the Black College Fund and the Africa University Fund.

MEF supports the 13 United Methodist seminaries as well as for local pastor courses of study, clergy continuing education, and other programs that strengthen the ministry of every local church.

The Black College Fund benefits the 11 United Methodist-related historically Black colleges. Some 16,000 students, including those from our conference, are nurtured in environments based on the Christian perspective of community, service and social responsibility.

By supporting Africa University, you help educate students and nurture their hopes to become world leaders. Your financial gift is a gift of hope for nearly 1,200 African students from 22 countries.

Thanks to your support of shared ministry apportionments, students and clergy are trained for a life of Christian leadership through the work of these three educational funds.

Pastors Carol Downs, Linda Kay Nealon, and Westley Villazon graduated from the Course of Study in July 22.
