

Together We Make A Difference Through Shared Ministry Apportionments!

The New York Annual Conference Vision Table and the Office of Connectional Ministries are able to underwrite great youth ministry activities like “IGNITE ’11,” an open invitation to church youth for a weekend event at the Taconic Retreat Center (January 21-23) with great speakers, interactive workshops, music, and fellowship.

We financially support “Take the Lead,” a high school leadership program held at Camp Epworth. Churches are invited to send their youth leaders for training in local church ministries.

Thanks to your commitment, Connectional Ministries is also able to support our youth ambassadors in an annual mission trip – next February they will be returning to Cambodia. The photo above is from the 2010 trip. Youth ministry also supports the Bishop’s Confirmation Rally and the work of the Conference Committee on Youth Ministry. Check it out at: www.umyouth.com.
