

Do you like to open a present? Do you enjoy looking at the wrapper paper and slowly opening and discovering what is inside?

God has given us two most precious gifts, The Sacraments, join us in the workshop to learn and open this amazing gift of grace.

We will be working with:

“By the Water and the Spirit” And “This Holy Mystery” both the official United Methodist teaching documents on Sacraments. Please contact Elaine Winward ewinward@optonline.net to get the link to these documents on the GBOD site.
