The New York Education Society Supporting Materials

1. Please submit a current academic year transcript from your college or high school. This can be an unofficial transcript or an official transcript.

2. Please submit an essay of 500-750 words to help the committee know more about you, your educational and career goals, and your faith journey. You do not have to answer all of the questions below, but consider using them as a guide to help you in crafting your essay.

- Briefly describe your academic interests and career goals.
- Where do you see yourself in 5 years? In 10 years?
- Tell us how your academic interests and your goals have been influenced by your faith and your participation in the United Methodist Church.
- Describe your current involvement in your campus ministry or local UM church.
- Tell us about your financial need and why you are seeking scholarship help from the NY Education Society.

*Please keep in mind, criteria for awarding scholarships include: career goals (preference given to helping professions), past work with the United Methodist church and New York Annual Conference, current involvement in campus ministry or a local church while at school, academic achievement, and financial need.

3. Please submit two letters of recommendation: one from your local pastor or your campus minister, and one from a church member, leader, teacher or someone well-acquainted with you.

****Please note:** If you are the son/daughter of a pastor, please **do not** have your parent write your letter of recommendation. Please ask your lay leader, someone from the Church Council, your youth leader, or another church leader for a letter of recommendation.
