

SELMA

FREE ADMISSION

Inspired by the film's message of resilience and hope, along with its historical significance, a number of individuals and families in Connecticut have come together to create a fund that will allow at least 8,000 7th, 8th, and 9th grade students to see SELMA for free at participating theaters.

*Show student ID or report card at any of the Connecticut or Westchester locations below for free admission starting **January 16th** through **January 19th** (Martin Luther King, Jr. Day) or while tickets last.*
