

WELCOME

Come join the United Methodist Women and Board of Laity for spiritual growth and to expand your knowledge and concepts of mission. The 2017 studies are:

Living as a Covenant Community - This study examines major covenants throughout the Bible and what they reveal about God's character and eternal love for us. It will enhance your understanding of how God works with us, in us, and through us

The Bible & Human Sexuality: Claiming God's Good Gift - This study invites us to explore the complexity of the biblical text and our varied understandings of it in light of human sexuality. We will also examine the influence of theologians and church leaders throughout thousands of years of Judeo-Christian history. We will also consider the influence of family systems, heritage, and changing gender roles, along with the impact of race, class, age, ethnicity, and orientation and how each of us was reared and instructed in our Christian faith.

Social Issue: Climate Justice: A Call to Hope and Action - will deepen your understanding and awareness of climate change and its impact on God's creation. The study highlights justice, peace, and integrity of creation as important dimensions of partnering in God's mission today. It offers participants biblical, theological, and ethical insights as the basis of their advocacy on climate justice in churches and in the public sphere. Participants in this study will also learn how their own actions contribute to climate change and what they can do to positively affect the environment.
