

WELCOME

Come join the United Methodist Women and Board of Laity for spiritual growth and to expand your knowledge and concepts of mission. The 2018 studies are:

Embracing Wholeness: An Earth Perspective to

Covenantal Living - This study explores the ways God has called each of us to live in covenantal relationship with all of creation and challenges to work toward stronger and healthier relationships with creation, their communities, themselves, and God.

What About Our Money? A Faith Response - explores how we relate to money within the context of our faith. Through this connection between our faith and our money, readers discover how to live closer to God and God's people, even in our North American culture that is so deeply defined by money. Author Susan Taylor explores the biblical foundation of abundance (sufficiency), which stands in opposition to the scarcity narrative our culture tells us from the time we are very young.

Geographic Study: Missionary Conferences in U.S. - gives an overview of three conferences in the United Methodist Church, the contexts out of which they grew and their current engagements: The Alaska United Methodist Conference, Red Bird Missionary Conference, and the Oklahoma Indian Missionary Conference are a hybrid of home and international missionary work, partnering in God's mission today.
