

WELCOME

Come join the United Methodist Women and Board of Laity to expand your knowledge and concepts of mission. The 2018 Saturday at Mission u study is:

What About Our Money? A Faith Response – explores how we relate to money within the context of our faith. Through this connection between our faith and our money, readers discover how to live closer to God and God's people, even in our North American culture that is so deeply defined by money. Author Susan Taylor explores the biblical foundation of abundance (sufficiency) which stands in opposition to the scarcity narrative our culture tells us from the time we are very young.
