

1 **Below is the report of the Commission on Equitable Compensation passed at the 2021**  
2 **Annual Conference Session**

3 **Commission on Equitable Compensation**

4 *Rev. Noel N. Chin, Chair*

5 The purpose of the Commission on Equitable Compensation, as expressed in the 2016 Book of Discipline, is to  
6 “support full-time clergy serving as pastors in the charges of the annual conference” (§1625.2).

7 This includes “recommending conference standards for pastoral support...administering funds to be used in base  
8 compensation supplementation...providing counsel and advisory material on pastoral support to district  
9 superintendents and committees on pastor-parish relations...and submitting an arrearage policy to be adopted  
10 by the annual conference” (§1625.2)

11 The Commission has engaged in discussions on developing new guidelines to determine clergy compensation.  
12 These guidelines are seeking to respond to the financial challenges faced by many congregations in our  
13 conference as they seek to adequately fund ministry. However, due to the unprecedented developments  
14 brought about by the current pandemic, the Commission has decided that the prudent course of action is to  
15 refrain from proposing any significant changes at this time.

16 **Recommendations for the year 2022:**

17 The commission recommends to the annual conference that the Equitable Salary Fund be set at \$175,500;

18 That the Salary Adjustment Fund be set at \$97,500;

19 That the minimum professional reimbursement account be set at \$5,850.00, and that pastors under part-time  
20 appointments receive a minimum of \$1,463.00 for each ¼-time increment;

21 That pastors serving multi-point charges or multiple appointments will receive a “Multiple Charge/Appointment  
22 Adjustment” of \$750.00 for each additional church beyond the initial church on the charge, whether serving in a  
23 part-time or full-time appointment. Pastors will have the option of having the amount taken as salary or added  
24 to their Accountable Reimbursement Plan (ARP). **NOTE:** Please refer to the document published by the General  
25 Council on Finance and Administration, titled “Accountable Reimbursement Policies”. This document will give  
26 you the guidelines for establishing and maintaining accountable reimbursement plans. Information on  
27 accountable reimbursement policies can be downloaded at [www.nyac.com/conf-forms](http://www.nyac.com/conf-forms).

28 **The 2022 Salary and other Compensation**

29 **HOUSING EXCLUSION**

30 For income tax purposes, the Church Council of each charge/parish may designate a portion of the pastor’s  
31 salary as a “Housing Exclusion”, to the extent that this amount is used for the cost of utilities, furniture,  
32 equipment, and other items/expenses related to living in the parsonage which are **not otherwise provided** by  
33 the local congregation. This satisfies Section 107 of the Internal Revenue Code. This action must be taken each  
34 year at the Charge/Church Conference to be applicable to the next calendar year for income tax purposes. Thus,  
35 the exact amount of the Housing Exclusion must be approved in writing before the start of each calendar year.  
36 A Housing Exclusion for a pastoral change made during the calendar year must be approved prior to the start of  
37 the new appointment. **There is no cost to the local church to designate a Housing Exclusion.**

38 Records to support the exclusion are the responsibility of the clergy who may need to submit them with their  
39 personal income taxes and should be retained for at least seven (7) years in case of an audit.

3 **2022 Minimum Equitable Salary**

4 The Minimum Salary Schedule will remain the same as in 2021 for each category. Though the Commission is not  
5 proposing an increase in the categories of the salary schedule it recognizes that most clergy receiving minimum  
6 salary will automatically receive a salary increase because of an additional year of service. At the same time, the  
7 Commission encourages congregations to be as generous as their financial circumstances may allow during  
8 these challenging economic times.

9 The minimum equitable salary for  $\frac{3}{4}$ -time pastoral appointments shall be  $\frac{3}{4}$  of the required minimum. The  
10 minimum equitable salary for  $\frac{1}{2}$ -time pastoral appointments shall be  $\frac{1}{2}$  of the required minimum. The minimum  
11 equitable salary for less than  $\frac{1}{2}$ -time pastoral appointments shall be determined by the Cabinet in consultation  
12 with the pastor and the local church.

13 The 2022 minimum equitable salary figures for pastors serving under full time appointment shall be as follows:

14 (Note, that service years include all years under episcopal appointment in any Methodist denomination or  
15 conference from the time of the first appointment as a local pastor)
